

REMARKS

In response to the Office Action mailed May 31, 2006, Applicant requests reconsideration of all rejections in light of the foregoing amendments and the following remarks.

The Drawing and the specification are objected to under 37 C.F.R. § 1,84(u)(1) in referring to the sole figure as "Figure 1". Applicant has amended the specification to correct the two occurrences of "Figure 1". Applicant has corrected the drawing by eliminating the identifier "Figure 1". Applicant has appended this response with an "Annotated Marked-up Drawing" showing the correction in red and a "Replacement Sheet". Reconsideration and reversal of the objections are kindly requested.

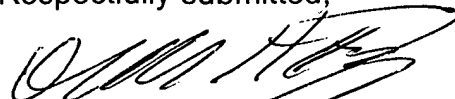

Applicant wishes to extend his appreciation to the Examiner for the allowance of claims 1-24. Claim 25 stands rejected. Applicant has amended the claims by canceling claim 25.

In light of the foregoing, Applicant submits that his application is in condition for allowance. Prompt favorable action to that end is respectfully requested.

The Examiner is invited to call the undersigned should any issue arise during the reconsideration of the application.
